PRAYER FOCUS

PRAY FOR HAITI

Haiti is home to over 175,000 Baptists, with 1100 churches within its four BWA member bodies. Mission Evangélique Baptiste du Sud d'Haïti (MEBSH), with the majority of its 488 churches

clustered in the Southwest region of Haiti at the epicentre of the earthquake, reports 225 of their churches and 155 of their schools have been damaged or completely destroyed; along with 1,500 homes in their community. A funeral was taking place in one of their churches when the building collapsed during the earthquake, taking the lives of four of their leaders.

Nevertheless, Haitian pastors and leaders are resilient, working tirelessly to search for those who are still missing, to assess damages, procure food and shelter items, and to provide pastoral care in their communities. All of this is happening in a politically challenging context in which the nation's president was assassinated only a month ago."

SOME OTHER PRAYER ITEMS

PRAY FOR:

- ◆ The government to make wise decisions as they balance the health of the people with the impact to our country, economy and people's livelihoods and freedoms.
- ◆ Covid Alert levels to drop next week to allow people to get back to life a bit more normally (and for Auckland's to continue to come down quickly).
- ◆ Teachers and senior school students especially, that they would be able to keep up with their learning with major exams ahead next term.
